

The NYSUT officers are pleased to announce the launch of our "All Kids Need" website, located at www.nysut.org/allkidsneed. A de facto online war room, consider "All Kids Need" to be your one-stop shopping for every aspect of our fight to save public education in New York State. You'll find everything you need here:

A video "call to action" from President Karen Magee to NYSUT members; NYSUT's battle plan to stand tall for students, parents, and educators; Talking points entitled "Where We Stand," to guide NYSUT members on the various issues facing our members today;

Print ads that can be reproduced for flyers, mailers, posters... whatever you need; A "myth vs. truth" breakdown to assist NYSUT members in answering the misinformation, misdirection and mistakes being touted by education deformers.

Most importantly, the site will be an action center hub for NYSUT members. At the end of the day, the union's collective strength lies in the heart and soul of our 600,000+ members, and we will need each and every one of you to join the battle to save public education for New York State.

So please... visit www.nysut.org/allkidsneed today. And come back OFTEN. We will be refreshing the page regularly with news items, action items, resources and information that will help us prevail. We did not choose this war, but we will fight it with every fiber of our being...and we will win.

The time to act is now. The very existence of public education in New York State depends on us... it depends on YOU. Please join us.

Karen McGhee President of NYSUT
